VIOLINO PRIMO.

Hamburg/

Gedruckt bey Georg Rebenlein/

Im Jahr 1674.

In Verlegung des Autoris / bey welchen es auch zu finden.

Denen Edlen/Wol-Ehrnvesten Groß-Achtbaren und Wolfürnehmen sämptlichen Herren

Ober-Alten und Cammerey-Bürgern der weit-berühmten Stadt Hamburg/

Meinen sonders Groß-geneigten Hochgeehrten Herren und Patronen.

Edle/Wohl-Ehrneveste/Groß-Achtbahre und Wol-Fürnehme/sonders Groß-geneigte/Hochgeehrte Herren und Patronen.

DJe Preiß-würdige Music ist aus Göttlicher Vorsicht denen Sterblichen/für allen Künsten/als ein sonderlich Gnaden-Geschenck verliehen/damit sie in so vielen Widerwärtigkeiten/welche im menschlichen Leben sich eräugen/etlicher massen ein Labsal haben mögen: Wie denn der König Saul/als ihm schwere/vom Satan eingegebene Gedancken verunruheten/durch den süssen und künstlichen Harpffen-Klang Davids kräfftiglich erquicket ward. Auch pflag der Prophet Elisa/wenn Er nicht bey rechter Andacht oder Lust war/einen Mu-

Musicanten zu gebrauchen/ und ward dadurch zu Göttlicher Weissagung beweget. Jmgleichen hat der Griechische Held Achilles/ nach Ablegung des Harnisch/ die Laute angeleget/ und seinen Geist damit ermuntert. Also haben auch einige unvernünfftige Thiere ihre angeschaffene Lust an der Music/ deñ ein Delphin (als die Naturkündiger schreiben) liebet die Harpffe/ ein Schwan die Cither/ ein Roß die Trompetē/ ein Elephant die Trummel/ ein Rind die Schelle/ ein Schaaf die Schallmey/ und ein Hirsch die Flöte; der Nachtigal uñ anderer selbstmusicirenden Vögel zu geschweigen.

Jch nach meiner Wenigkeit (der ich auch in solchem Eigenthum̃ gleichsam gebohren/ und von Jugend auff/ nechst Gott/ in dieser über-irrdischen Wissenschafft meine gröste Vergnügung gehabt) kan Mich dessen/ was meinen Gedancken von Natur gewiedmet/ eben so wenig entbrechen/ als Andere zu anderen Künsten vom Sternen-Fluß getrieben werden. Und nach dem meine hiebevor heraus gegebene/ und einem Wohl-Edlen/ Hochweisen Rahte hieselbst zugeschriebene **Frühlings-Früchte**/ von Hohen und Niedrigen Standes-Personen unwürdig beliebet/ auch in allen Buchladen also abgegangen/ daß sie in Braband von Neuen auffgeleget/ und dero Continuation verlanget wordē/ habe ich in solcher Zuneigung Mich ferner unternom̃en/ gegenwärtige **zweystimige Instrumental-Stücken**/ welche guten Theils in Kirchen gespielet werden können/ zu Gottes Ehren zu verfertigen/ uñ als ein Neben-Werck begehrter massen in Druck zu befördern/ biß meine Som̃er- und Herbst-Früchte/ welche allbereit auch fertig/ mit Gott erfolgen werdē. Sie haben aber lange vorher

nach grossen Gönnern sich ümbgesehen / auch verhoffentlich keine Günstigere/als **diese Beyde wohl-löbliche uhr-alte Collegia** (von welchen ich mein Salarium genieſſe) angetroffen/in dero viel-mögenden Schutz sie kön̄en auff- und angenommen werden/zumahlen jetziger Zeit sich Ihrer wenig finden/ welche diese liebreiche Wissenschafft nach Würden ehren; wiewohl auch vor dieser Zeit Pan durch die Pfeiffen und Schallmeyen mehr Zulauff/ als Apollo durch den allersüſſesten und künstlichsten Klang der Seiten erlanget.

Dañenhero stellet sich nun diese meine Arbeit (welche mehr auf Affection als Verdienst bauet) E.E. Edl. Wohl-Ehrnv. und Groß Achtb. Gst. Gst. zur schuldigen Danckbarkeit unter Augen/und besorget sich von ihren Schutz-Herren keiner unanmuhtigen Blicke; welches / wenn es nach Wunsch erfolgen möchte/ den Uhrheber dergestalt erfrischen soll/daß er hinfüro mit Gott sich etwas besſers unterwinden/und zu fernerer Gewogenheit in gemeinen Nutzen wenden wird/der bey Empfehlung Göttlicher Obhut verbleibet

E. E. Edl. Wohl Ehrnv. Groß Achtb.
Gst. Gst.

Geschrieben zu Hamburg den
26. Januarii, A. 1674.

unterdienstwilliger

Diedrich Becker.
